EXPERIENCE

- UI Designer

DemocracyLab

06/2024 - 08/2024

 - Refined core aspects of various call-to-action components, creating a more streamlined process within software layouts.
 - Integrated universal design alterations into the user interface, strengthening the application's accessibility and usability.
 - Improved the scale of numerous user interface elements, accommodating for mobile device resolutions and viewports.
- UX Researcher

Genhouse Project

02/2024 - 06/2024

 - Conducted in-depth interviews to understand crucial pain points, arranging an intuitive and seamless user experience.
 - Produced a detailed flowchart that depicts the navigation system, showcasing the software's distinct functionalities.
 - Created high-fidelity layouts for the application dashboard, maximizing the effectiveness of usable and useful features.
- Visual Designer

PanPalz

02/2024 - 05/2024

 - Utilized color theory to enhance the application's visual appeal, ensuring a more consistent and cohesive brand identity.
 - Applied various tools and techniques to numerous drawings, capturing the application's foundational aesthetic theme.

EDUCATION

- University of Florida - Bachelors of Arts in Digital Arts and Sciences

08/2020 - 12/2022
